

Job Title: Engineer/ Maintenance Technician

Location: Oakwood Theme Park

Contract Type: Full Time Permanent Contract - The role will be on a rota basis, working 5 days out of 7, including working weekends, bank holidays and throughout the school holidays during the parks peak times.

Salary: £25,000.00 per annum

Job Description:

This is an exciting opportunity for an experienced mechanically biased engineer to join the engineering team at Oakwood Theme Park - Wales' Biggest Family Adventure located in Pembrokeshire, West Wales. With over 35 rides and attractions spread over 90 acres of spectacular countryside, we have something to offer the whole family.

We're looking for individuals who want to join the Aspro team and live our values of:

- Customer Service
- Honesty
- Respect
- Focus on Results
- Teamwork
- Personal development

We are also here to sell fun and this is what makes us so unique. Each day we look at working in a fun and friendly environment. So, if you have a passion to work in the leisure industry, can offer outstanding customer service to all our visitors and you aren't afraid of hard work, then we may just have the job for you!

Duties/ Responsibilities:

The Engineer/ Maintenance Technician is responsible for carrying out planned and reactive maintenance activities within Rides Maintenance ensuring rides are safe, fully operational and to maximise performance, availability and reliability of rides.

Oakwood Theme Park is committed to ensuring a fun and enjoyable experience for visitors of all ages, and to providing a safe and fulfilling working environment for employees and contractors working at the attraction and/or activities relating to the operation of the attraction.

We're looking for individuals who are professional and friendly with a positive approach to their work at all times. Those who can work with, and alongside, other Oakwood departments to ensure the highest levels of health and safety throughout the park.

Key Skills Requirements:

We're looking for responsible and reliable team members who are dependable and hard working. You should be a real team player with strong communication skills, plenty of enthusiasm and energy. We're looking for someone who has the ability to 'think on their feet' and take ownership of any issues that may arise.

You will need to have completed a recognised apprenticeship and/or hold recognised qualification(s) in a relevant engineering discipline. For example: City & Guilds/NVQ Level 3/BTEC/ONC/HNC and be experienced in reactive and planned works in Mechanical Systems and Equipment. You should have a proven track record in hands on fault finding, the ability to work on multiple projects simultaneously and multi-task as necessary, analyse technical drawings and have close attention to detail.

Excellent analytical and problem solving abilities are essential within this role. We're looking for individuals who are results orientated with the ability to plan and deliver against project deadlines. You should respond well under pressure, be confident working at heights and must possess a full UK manual driving licence.

Why work for us?

Aspro Parks is a multinational company which operates more than 60 leisure attractions in Europe. Here in the UK Aspro owns Blue Planet Aquarium, Deep Sea World, Bristol Aquarium, 4 Blue Reef Aquariums, Smugglers Adventure and Oakwood Theme Park.

Our business depends on our visitors enjoying their experience, whether that's leaving our aquariums inspired to caring more about the environment, to thrill seekers riding Drenched, one of the tallest, steepest and wettest water rides in Europe! It takes a very diverse and richly talented team to keep the show on the road and we work hard in getting these individuals on board!

Here at Aspro, we make sure our employees are well taken care of. We recognise that their hard work and dedication are the driving force behind our success. Our work environment is built on mutual respect and professionalism. We have a team of highly knowledgeable individuals with the experience and technical expertise to ensure we are the best at what we do!

How to apply

If interested, please send your CV & covering letter to: Kim Jones, Aspro UK Group HR Manager, at: recruitment@asprouk.com. Your application letter should highlight why you would be able to fulfil this key role within the organisation and clearly demonstrate how you meet our requirements. Equally you can apply on our Indeed platform by searching for Aspro UK.

Aspro UK are an equal opportunity employer. All applicants will be considered for employment without attention to race, colour, religion, sex, sexual orientation, gender identity, national origin, and veteran or disability status.

Closing Date: Thursday 31st October 2019

We do recognize the time and effort it takes to apply for a position, however as an employer of choice we receive a high volume of applications and in the interests of economy, Aspro UK does not notify candidates who have been unsuccessful in their application; consequently if you have not heard from us within 4 weeks of the closing date, please assume that you have not been successful on this occasion.
